

Be Think, Solve, Execute Web Privacy Policy

This document describes how the website of the company Be Think, Solve, Execute is managed and in particular how the users' personal data are processed.

This policy is compliant with the art. 13 of the Legislative Decree no. 196 of June 30th, 2003 (hereafter referred to as Privacy Code) and describes how users interact with the web services of Be Think, Solve, Execute. The home page of the official website is accessible electronically from this address: www.be-tse.it.

The information applies only to the website of Be Think, Solve, Execute, and not to other Web sites accessed via links.

This policy is compliant with the Recommendation no. 2/2001 that the European Authorities for the protection of personal data, established by the Group with the article 29 of Directive 95/46 / EC. The Recommendation no. 2/2001 was adopted on May 17th, 2001 to establish minimum requirements for collecting personal online data and, in particular, the manner, timing and nature of the information that data controllers must provide users when connecting to web pages, regardless of the purpose of the link.

The "Owner" of data processing

Following the navigation of this website, data about persons identified or identifiable may be processed.

The "owner" of their treatment is Be Think, Solve, Execute, with registered office in Viale dell'Esperanto 71, 00144 Rome (Italy).

Location of data processing

Processing of data related to the services on this web site takes place on the above mentioned address, and at the various offices of the Group and are only handled by the staff of Be Think, Solve, Execute. No personal data from the web service is disclosed.

Personal data provided by users are managed only to perform the service or assistance requested and are communicated to third parties only in case it is strictly necessary.

Types of data processed

Data collected during browsing

The computer systems and software procedures used by this website normally acquire some personal data whose transmission is implicit in the use of Internet, which is based on TCP / IP.

This information is not collected to be associated with identified users. However, by their nature, this information could enable to identify the navigating users, if information is processed and associated with data held by third parties.

This category of data includes:

1. The "IP addresses" or domain names of computers used by users connecting to the site,
2. URI (Uniform Resource Identifier) of requested resources
3. Time of request, the method used to submit the request to the web server, the file size obtained in response, the numerical code indicating the status of the response from the web server (successful, error, etc ...)

These data are used only to obtain anonymous statistical information on the site and to ensure the proper functioning of the website BeThink, Solve, Execute.

It should be noted that these data could be used to ascertain responsibility in case of computer crimes against the website Be Think, Solve, Execute or other sites connected or linked to it. Except for this eventuality, the data on web contacts do not stay for more than a few days.

Data provided voluntarily by the user

The data input requested to the user in special sections of the website Be Think, Solve, Execute, involves the acquisition of certain personal data of the applicant, including the e-mail address of the applicant, necessary to respond to requests. Specific summary information will be progressively reported or displayed on web pages dedicated to these specific services.

Cookies

According to Be policy cookies are not used for the transmission of information related to personal matters, and c.d. cookies are not used to keep track of users.

The use of session cookies (which are not permanently stored on the user's computer and are normally deleted when the browser is closed) is strictly limited to transmitting session identifiers required to enable a safe and efficient site. The aforementioned session cookies used on the site of Be Think, Solve, Execute avoid the use of other technologies that could compromise the privacy of users' browsing and do not acquire personal identifying data.

Optional communication of personal data

Apart from navigation data, the user is free to provide personal data contained in the appropriate electronic request forms, in those sections of the website dedicated to specific services upon request.

Please also note that the absence of the provision of personal data can make it impossible to fulfill the request.

Processing procedures and security measures

Personal data are processed by automated tools and not only for the time necessary to achieve the purposes for which they were collected. Specific security measures are taken to prevent data loss, illicit or incorrect and unauthorized access.

Rights of parties involved

According to the Art. 7 of the Privacy Code the users that allowed the processing of their personal data, collected in the aforementioned sections, have the right at any time to obtain confirmation as to whether such data has been processed, to know its content and origin, verify its accuracy or request integration or updating or rectification.

The individual has the right to request cancellation, transformation into anonymous form, and oppose any case, for legitimate reasons, to the treatment of their personal information.

Any requests should be sent to the following email address: info@be-tse.it or to Be Think, Solve, Execute in Viale dell'Esperanto, 71-00144 Rome (Italy).

Minors

Be Think, Solve, Execute does not intentionally use the company's website for collecting data concerning minors under the age of 18 years old.
